Dear Patti,

As you are planning your holiday gift-giving, please add United Cerebral Palsy of Metropolitan Detroit (UCP/Detroit) to your list.

Every day UCP/Detroit assists people with disabilities and their families in the Metro Detroit area. Your contribution will provide access to much-needed support, services, and the resources that help to make "Life without Limits" not just a possibility, but a reality.

One of our most popular and successful programs is **QuickRamps for Kids**. Quick Ramps are portable ramp solutions. Unlike costly built-to-order ramps, these are inexpensive and immediately functional. A family receiving a QuickRamp is able to open the box, put the ramp in place, and have immediate accessibility.

We have many success stories with our new program, QuickRamps for Kids. One very special story is about a young man named Shayn. Shayn was diagnosed with Cerebral Palsy as a young child. His family learned about our QuickRamp project from the 2006 UCP newsletter. Shayn drives his electronic wheelchair using head switches. Before getting the portable ramp, he used his manual chair a lot and had to be lifted in and out of it when going places outside of his home.

One of Shayn's favorite activities is playing computer games with his friends. Before the ramp, Shayn had to often wait for his friends to come to his house. Now that he has the portable ramp, his family can take him to his friends' houses and Shayn can independently ride up and down the ramp in his electronic wheelchair---and get in and out of other people's houses.

The ramp has opened up many doors for Shayn and has given him the opportunity to participate in more activities with his friends. With your donation, UCP can assist many adults and children with disabilities, like Shayn. No amount is too small or too large and you can be assured that your gift will do more to help people with disabilities right here in **YOUR** community.

It's simple—just mail your check in the enclosed envelope. If it is more convenient, go to our website at www.ucpdetroit.org to give by credit card or call our office at (248) 557-5070 and ask to speak with LaToya Jones, who will be happy to assist you.

Thank you for your support of "Life without Limits" for people with disabilities. Together, we can make it happen!

Sincerely,
