#FOR IMMEDIATE RELEASE

FOR THE LOVE OF MARGE - A NIGHT OF FOOD, FAMILY AND FUN!
RAISING MONEY FOR CYSTIC FIBROSIS PATIENT CARE,
ADVOCACY AND DRUG RESEARCH

(January 17, 2012) Join The Bonnell Foundation Saturday, February 25th from 6:30 pm to 11:30 pm at the St. Mary's Cultural & Banquet Center in Livonia for the **6th Annual For the Love of Marge** event. The entire family will enjoy a fun evening featuring a family-style dinner, cocktails, entertainment and a silent auction while raising funds for Cystic Fibrosis patient care, advocacy and drug research.

Tickets are \$40 for Adults, and \$20 for Children under 12 (the tax-deductible amount is \$25 for Adults, \$5 for children 12-6). We recommend making early reservation by emailing us at infor@roadmaptocf.org or contacting Scott Carmona at 248-941-7637.

Sponsorship Opportunities include the Amore Sponsorship featuring a reserved table for 10, VIP gift basket, primary sponsor recognition on signage and program (tax deductible amount is \$850), and the Sweetheart Sponsorship featuring 4 tickets, VIP gift basket, sponsor recognition on signage and program (tax deductible amount is \$440). To become a sponsor send us an email at info@roadmaptocf.org.

Cystic Fibrosis (CF) is a genetic disease that causes chronic and fatal lung infections and interferes with digestion. The life expectancy for children born with CF is 37 years old. CF affects approximately 30,000 people in the United States. There is no cure.

The Bonnell Foundation: Living with Cystic Fibrosis was started to provide tools to navigate the difficulties of living with CF. We strive to connect families with resources through their CF journey. With out website, roadmap to CF baskets, medical and academic scholarships we hope to equip families with a roadmap to guide their way. To make a donation or mail checks for the event: P.O. Box 1215, Royal Oak, Michigan, 48068. Please visit our website at: www.roadmaptocf.org

###

Because of risks to people with cystic fibrosis (CF), individuals with a confirmed positive sputum culture for Burkholderia cepacia shall not attend this event. This is because B. cepacia can be passed between individuals who have CF through close proximity. B. cepacia infection in a person with CF can cause serious respiratory illness and, in some patients, may lead to death. Despite this policy, there might still be some individuals with B. cepacia in attendance. B. cepacia is not a risk for otherwise healthy individuals.
