

AAA Pregnancy Resource Center

16755 Middlebelt Road, Livonia, MI 48154 (734) 425-8060

Over 1,600 Detroit families needed diapers, clothing, baby food and other necessities in 2009 and they came to us for help! I am reaching out to you to ask you to help us meet the needs of these local families.

Next month, we will be hosting a special event with Nick Vujicic. Nick was born in Australia in 1982 with no arms or legs. Nick travels all over the world visiting schools, hospitals, churches, orphanages, and prisons sharing his inspirational story. He has faced overwhelming odds and chooses to live life to its fullest and spreads hope to others by inspiring them to do the same! Would you be willing to support our event to help us provide the much-needed services to those that walk through our doors?

We are reaching out to you to help us underwrite this special event. Our goal is to have **\$10,000** donated to completely cover the cost of bringing Nick to our area. This will allow all the funds that are raised that evening to go directly to helping families in the Detroit Metro area.

Will you consider helping AAA? The AAA Pregnancy Resource Center has been helping families in need for over 36 years and is vital to the surrounding community. In 2009, we served 710 new clients in addition to our 928 existing clients! We provided over 800 packages of diapers and almost 6,000 items of clothing. We cannot continue providing these services without your help. We are a non-profit organization and provide all services to our clients **free of charge** – we provide pregnancy tests, ultrasound services, counseling, parenting classes, money management classes and much more!

We know that these are difficult economic times in Michigan and we would greatly appreciate any help that you could offer. If you support us, we will encourage our AAA supporters to give their business back to you! Please see the enclosed Sponsorship Opportunity Form to decide on your level of participation.

Thank you for your considering a corporate sponsorship of our event. If you have any questions, please do not hesitate to contact me by calling (734) 634-0011. You can also reach me by email at prcdevelopment@sbcglobal.net

Sincerely,
