

Barry's
Memorial Skate

THANK YOU

We would like to offer our thanks for your participation in Barry's memorial fundraiser. Thanks to your generosity, we were able to raise \$7,000 to help keep kids on the ice! Just as important, we were able to bring together the things Barry loved the most: friends, family, and hockey. It was truly wonderful to see such an outpouring of support and love in his memory.

Sincerely, Barry's Family
