To Whom It May Concern:

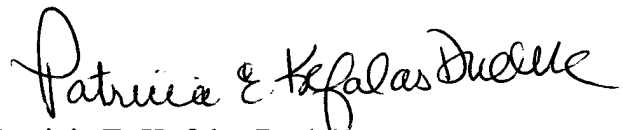

I am writing to share with you the positive experience we have had with not only Digital Science but Lynn Gulch. Lynn and his company are thorough, timely and reliable! He continually goes the extra mile to make sure that our documents are stored securely and efficiently.

We have utilized Lynn and his company for approximately 1 ½ years. Our firm would highly recommend Digital Science to anyone that has scanning needs. If you have any questions, please do not hesitate to contact myself or my staff.

Very truly yours,
